SUBJECT: INDONESIA CONSIDERING DARFUR PKO ISSUES

REF: STATE 51776

Classified By: POLITICAL OFFICER RAYMOND RICHART. REASONS 1.4 (B) AND (D).

11. (C) We delivered on April 4 the points contained reftel to the Director for International Security and Disarmament Affairs at the Indonesian Department of Foreign Affairs, Hassan Kleib, to urge Indonesian support for re-hatting as a UN PKO the African Union Mission in Sudan. We also pressed Kleib to explore Indonesian participation in such a UN force. Kleib undertook to obtain his government's view on both issues.

12. (C) When on April 6 we again contacted Kleib, he told us he remained in the process of consulting with the other GOI elements that have a role in peacekeeping. Indonesia currently has some 203 troops deployed in an engineer battalion in the UN PKO in the Congo. The GOI -- which recently named Kleib its coordinator for peacekeeping operations -- has plans to expand its peacekeeping capabilities, and we noted to Kleib that the Darfur operation would be a good opportunity to do so. We will continue to press Kleib on Indonesian participation
